# TERM 3/

**Monday-Wednesday** 

**Mrs Sam MacDonald** 

# **SUPPLIES**

Please help out our class with:

- \* Whiteboard markers
- \* Tissues
- \* Glue Sticks

## **HOMEWORK**

Homework is optional, apart from home reading which is essential. It is very important to spend 10-15 minutes reading with your child and listening to them read aloud every day.

Thursday-Friday

Ms Mary Anne Madden

#### **IMPORTANT DATES**

We will be celebrating
Education Week in Week
3 (3-7 August) and
students will engage
in a variety of exciting
activities as they
explore the theme
'Learning Together'.

**1**M

#### **LITERACY**

We will work on SSP, reading, guided reading, comprehension, writing, spelling, grammar and handwriting. We will continue to enjoy our discovery of rich picture books and novel study "The Magic Faraway Tree" by Enid Blyton.

#### **MATHS**

We will focus on worded problems, whole number, area, multiplication and division, patterns, chance, data, length, addition and subtraction.

#### STEM

We will integrate STEM
activities across
learning areas
STEM is an
approach to
learning and
development that
integrates the areas of
science,
technology,
engineering and
mathematics.

Through STEM, students
develop key skills
including:
problem solving
creativity
critical analysis
teamwork
independent thinking
initiative
communication
digital literacy

# INTEGRATED UNIT

Growing Older and Wiser

Students will learn about staying safe and taking responsible risks, eating healthy food, expressing their emotions clearly, and dealing with conflict. They will consider how they have changed in their life and reflect on the things that they will be able to do in the future.

# UN GOAL IDENTITY

UN Goal 17: Partnerships for the Goals

## PD/H/PE

Students will be
participating in a weekly
sport session through the
SISA (Sport In Schools
Australia) Program. They will
also participate in PE
sessions and classroom
energisers throughout the
week with their
class group.

TERM 3... Let the fun BEE-gin!
