Book Week Parade

Thursday 29th October

Phone Interviews

Thursday 10th December

Presentation Day

Wednesday 16th December

Final day for students

WHOLE SCHOOL TRANSITION

Starting in Week 2, to coincide with 2021 Kinder orientation, the whole school will participate in a whole school transition program each Wednesday morning for 6 weeks.

SUPPLIES

Please help out our class with:

- *Whiteboard markers
- *Glue Sticks

PUNCTUALITY

Being at school on time is important. So that your child does not miss the class procedures, instructions and explicit teaching. Please ensure they arrive before the bell.

HOMEWORK

Home reading is essential. It is very important to spend 10-15 minutes reading with your child and listening to them read aloud every day. Students change their readers every Friday.

ABSENCES

The NSW DEC requires all absences to be justified. If your child is away, please explain his/her absence. You can phone or email the school, send an absence notification via the Parent Portal or reply to the SMS notification that is sent out at 9:30am on the day of your child's absence. If you have not explained your child's absence, he/she will bring home an absent note to be filled in and returned to school.
